

# RETAIL RANGE

The Retail units have been designed specifically for areas where fly control should be hidden from view, with decorative and unique front covers that hide the glue board and insect catch.

This discreet and environmentally friendly sticky trap is ideal for use in cafés, bars, restaurants, offices, and even in the home. It features an all stainless steel body with a choice of front covers of either stainless steel or white with an attractive glow. Can be wall-mounted or placed on tabletops.
